It may be necessary to close the Center due to severe winter blizzard conditions, natural disasters, emergency electrical or water failures. If Lake Michigan College closes due to weather conditions, Kidzone will also close. Kidzone will not call parents to notify them of closings due to the weather.

Parents will be charged according to their child's contract when Kidzone is closed for inclement weather, holidays and breaks.

In rare situations Kidzone may close when LMC does not close due to inclement weather. If this occurs, tune in to Channel 22 for Kidzone Benton Harbor and Channel 3 for Kidzone South Haven for closing information.
