From the Directors Desk...

• Welcome to 2011! I hope 2010 was a pleasant and productive year for all of our families. • Winter seems to be in full swing here in Michigan. Please be sure to send snow pants and boots every day. We go out as long as the temperature is above 20 degrees (including the wind chill). Please label all clothing with at least your child's initials. • Remember to check WWMT for weather related closings. We do not necessarily close when South Haven Public School does. We try to remain open in order to best serve our working families. We do, however, close any time LMC South Haven is closed. • A special thank you to everyone that donated to our adopted family for Christmas. Your contributions helped make it a great holiday for this family. • Another special

thanks to the families who sent in goodies and provided lunch for our staff. The generosity of our Kidzone families is amazing and greatly appreciated by all of our staff.
