Kidzone is getting ready for Fall. We can't wait to see the kids that have been away for the summer and also sad to see the children leave for school from our kidz on Kampus program. All the teachers are getting ready to teach the kids all they need to succeed! I have a

few reminders so that we can all have a smooth transition into Fall.

1. Check your parent mailbox daily.
2. Check in and out your child everyday on the computer.
3. Make sure your child's has a change of clothes, tennis

shoes, and lunch everyday.

4. Preschool class starts promptly at 9am, breakfast must be served before then. Please have them here on time to learn.

Don't forget to follow the monthly Calendar for special events!
