July & August 2006

Volume 5, Issue 3

July 1, 2006

Dear Parents,

Summer is flying by this year. The children are having a great time and the staff are having a blast with them. We have had many visitors so far this summer and the children are learning many new things. Ask them about their day every day. You might be surprised at what they tell you about.

We would like to give a big thank you to all the people that have helped out with our summer program this year. Thank you to all the Lake Michigan College staff that have taken time out of their busy schedules to give the children the opportunity to learn about what it is they do and thank you to all the community that have brought things to us to share. We appreciate everything you have done for us.

Please make sure that your children have the appropriate clothing for the summer weather. If a child is not dressed appropriately they will be asked to change and if need be the parents will be called. Before you know it they will be needing warmer clothes again for the Fall months.

Sincerely,

Karla Pepple

Students Of The Month in Benton Harbor

Preschool Room

Madelina Machado is the child of the month in the Preschool Room. Maddy has been at Kidzone for a couple of years now. She started in our Toddler Room. Maddy's favorite thing about Kidzone is being friendly with the other children and the teachers. Maddy is a wonderful little girl and makes the preschool room a great place to be. She is very creative and likes to play in the dress up area. Her favorite color is purple.

Infant/Toddler Room

Seth Sapp is the child of the month in the Infant/Toddler Room. Seth is in the Infant Room and is 5 months old. He is a very happy baby and is a joy to be around. Seth's favorite thing to do while he is at Kidzone is to swing in the swing set. He laughs and smiles at you while you are talking to him and always makes you smile with him. We are all very happy that he is a part of Kidzone and we look forward to watching him grow throughout the future years.
