# Kidzone Korner South Haven

Dear Families,

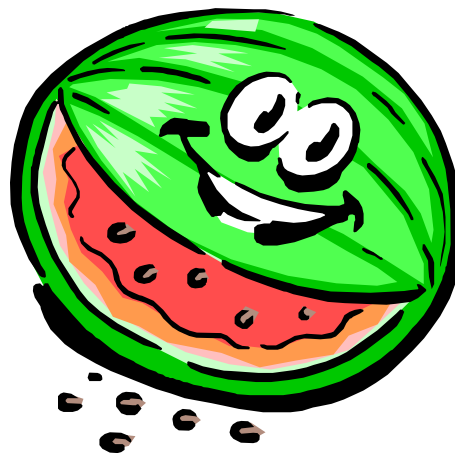

I would like to say thanks to all the parents that have had their children participate in the "Fun Days" we have had at the center. It means so much to the children to be able to join in the fun. Keep an eye on the calendar and the reminder sheet to see what is coming up this summer.

We are enrolling now for preschool. Our preschool program starts August 28th and runs the entire school year. We have a great preschool curriculum that prepares children for their future years of learning. The staff and I will be very busy preparing for the fall and we are looking forward to a great year of learning and fun.

Remember if you refer a family to Kidzone and they enroll, you will receive \$25.00 off your next invoice.

Congrats to the Muenchew family and the Burleson family, they were the winners of our recyclable drive. They both won a free family pass to Curious Kids Museum and a gift certificate to Dairy Queen. We are still accepting recyclable items, for every four items you bring in, your name will be entered into our next drawing.

Sincerely, Tammy Eberle, Director

# Students of the Month

Max Campbell is our student of the month in the preschool room. He is 2.5 years old and enjoys reading *Sesame Street* books, monkeys, eating chicken fingers and PB&J and watching "Thomas the Train". Max has been with us for close to a year and enjoys playing in the sandbox and with Miss Tammy. Max is such a joy to have at Kidzone!

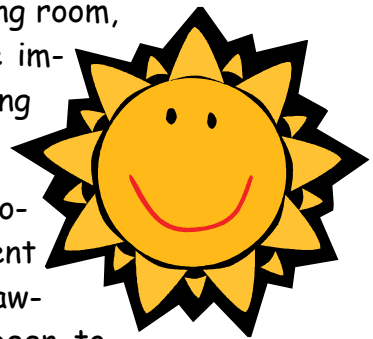

Jacob Striedl is our student of the month in the toddler room. He is 9 months old. His favorite color is blue, he loves his dogs "Rex and Sable", Mac and Cheese and playing with his sister Samantha. He has been at Kidzone since for 2.5 months and loves playing with the other kids. Jacob is a wonderful addition to our Kidzone family!

## Summertime is family time

The long, lazy days of summer are the perfect time to focus on family. Enjoy laughing and learning together with these suggestions:

- ◆ Plan a rainy-day vacation. Pack a suitcase full of snacks, books, art supplies and games. Then take a trip—to your basement or family room! Create silly dances to fun music. Put on swimsuits and relax on beach towels. Serve refreshing drinks, like fruit smoothies.
- ◆ Have family "talk time". Once a week, gather in the living room, turn off the television and talk about things that are important to your family. Let everyone take turns choosing the topic.
- ◆ Get out and explore. Find ways to enjoy the outdoors together. Visit a local farm to see how many different kinds of plants you can find and perhaps pick some strawberries. Or stop by a local store that you've never been to, such as a hobby shop or an art studio.
