## From the Director's Desk.....

Welcome to the July/August Newsletter. I can not believe it is July already. Feels like school was ending just yesterday. It has been such a cold & wet summer so far, and we have not been able to enjoy Wet Wednesday like we want to. If the temperature is less than 70, we will not be having water fun. Please send a swimsuit, towel, water shoes & sunscreen with your child. We will send wet items home at the end of the day.

Our Summer Food Program has begun. Morning Snack and Lunch is provided. The parents need to provide the afternoon snack, unless you are in the school age program. If your child comes really early, please have your child eat breakfast before they are dropped off or send it with them, labeled with their name.

We are planning a Bike a thon on Monday, July 27th at 9am for pre-schoolers and 10am for

School age kids. We will be raising funds for St. Jude's hospital and teaching the kids about Bike safety! We will send more information home soon.

Our new curriculum, Creative Curriculum is proving to be lots of fun. For July and August we will study plant life, flowers and frogs. Miss Debbie will be sending a letter out soon to give more details.

There are a lot of birthdays in July & August. Please speak with your child's teacher if you are planning in to bring in a treat.

Our Summer School Program is up and running. Kids are having fun seeing friends from last summer and getting to know Mrs. Caryn. They have had several fun field trips and many more are planned. As the end of summer gets closer, information regarding our before & after school program will be sent home. Our summer family event will be an Ice

Cream Social on Friday, July 24 at 4pm. There will be ice cream, toppings, and games for all. If you would like to donate, please see Mrs. Karla.

The next two months will be filled with lots of summer fun including a Teddy Bear Picnic, Lollipops, Watermelon. More information will be sent home soon.

As always, thank you for being a part of the Kidzone family and sharing your bundles of joy with us each day.
