### From the Director's Desk.....

We have lots of activities planned for February! Our family event is the Valentine Party on February 14 from 10 to 11:30 am. Children will decorate cookies, exchange Valentines, and play games including the bouncy house! Please watch for a sign up sheet to donate treats!

We also have Sarett Nature Center coming to visit. They will be bringing live reptiles for children to view during "Reptiles Week." Parents are also welcome to attend.

Finally National Pizza Day is Feb. 9th. Kidzone will provide pizza for children.

Please send your child to the center as they would play outside in the snow. We like to get children out

of the classroom. Warm coats, hats, gloves and boots are a must!

If your child is not coming to Kidzone that day, please call by 10 a.m. to let us know. Our staff depends on it!

#### Reminders:

Please pack lunches that only need a quick warm up, label all your belongings, sign in and out with procare, and check your mailboxes daily.

Thanks for being the wonderful, supportive families you are!

"Play is essential to the social, emotional, cognitive and physical well-being in early childhood. It is a natural tool for children to develop resiliency as they learn to cooperate, overcome challenges, and negotiate with others. Play also allows children to be creative!"
