From the Directors Desk...

• Spring is officially here! We have moved out of the worst of the snowy weather and on to wet windy days. Please keep this in mind when sending clothing for your child, as we will continue to get outside as much as possible. • If your child will be on vacation during this week please let your child's teacher or someone in the office know. If you have a school age child that will need to attend Kidzone during spring break, please notify us so we can schedule accordingly.

• A special thank you goes out to all of our guest readers from last month. We had several parents (and grandparents) come and in read to the children. We appreciate you taking the time to come in, the children were delighted to have you here. • On April 18th we invite all grandparents to join us from 9-10 am for circle time and a special craft with their grandchild. • Please note that we will be closed on April 22nd in observance of Good Friday. • Please tell your families and friends

about Kidzone and you can earn \$25.00 for referring a family to Kidzone. We will be enrolling School age kids for the summer program and enrolling preschool children for the Fall.

Karla Pepple, Director
