From the Directors Desk...

Greetings Kidzone families! Thank you to everyone who participated in our Family Read In. It is so important to start kids reading early and encourage a love of learning! Our Preschool Open house and Ice Cream Social was also a success. We had a lot of information available regarding our 2012-2013 school year and curriculum goals.

This month we are focusing a lot on spring time: The lifecycles of birds and butterflies;

as well as weather & growing plants. Science and literacy will be our main focus areas within our themes.

Our family event for the month is Grandparent's Morning, on April 24th. Grandparents are welcome to come in and share a treat with the classes at 10am.

Reminders: Please check your parent folders regularly. Please write your child's name on everything that belongs to them.

Please fill out our parent survey, which can be found at Kidzone's website. We are now registering children for all classes; and for our school age summer camp. If you refer a family to us, and they enroll; you will receive a \$25 finders fee!

Kidzone will be closed on April 6th for Good Friday.

Blessings,
Jenny Jongsma
Director
