From the Director's Desk.....

Happy Fall! We have had a great start to the new school year with all the new faces, and our returning friends. Thank you to those who have generously donated supplies to the center!

I want to thank my lead teachers Ms. Lindsay & Ms. Patty for all their hard work, new lessons, excellent attitudes, and positive outlooks. A thank you to my assistant teachers for always working hard. You all make this center a fun and positive place for children to learn and grow.

I want to thank everyone that contributed with the "Fall Fundraiser." We were able to raise \$775.00 towards new toys

and equipment!

Just a reminder that in October we will be doing "Fall" themed activities, *not* Halloween. Please do not dress your child in Halloween costumes or send Halloween items to school.

Join us for Donuts with Dad on October 8th. Come in to share a breakfast treat.

Kidzone has participated in the adopt an Animal Program at Sarett Nature Center. We are proud to announce that we have officially adopted the screech owl "Big Red", you can see a picture of him below.

Please remember you must pay tuition on

Mondays in advance for your care. This will avoid late fees.

Please call the center if you do not plan on bringing your child that day! Our staffing depends on it!!

Reminders:

Please pack lunches with an ice pack, label all your belongings, sign in and out with Procure, and check your parent folders daily.

Thanks for being the wonderful, supportive families you are!

Karla Pepple,

Director and Owner
